The emergency contact will be asked to take over care for the dog(s) in the event of an emergency, be it an evacuation at Oaksedge Farm in the event of a fire or such like or if you're dog displayed behavior which meant they can no longer be cared for. These behaviors can be, but not limited to, aggression, separation anxiety, anti-social behavior, toileting or destructive behavior in my home or their room or illness isolation. Refunds will not be given under these circumstances. Please seek permission for your emergency contact to be nominated. The client agrees that if their pet attacks another animal or person, including any representative of Oaksedge Farm, and this results in injury to that animal or person, they will be responsible for any expense incurred as a result. This includes payment of veterinary fees incurred as a result of injuries to another animal caused by their dog. The dog will be removed with immediate effect and placed with the emergency contact and no refund will be due.
